

Product Change Notification

PCN No: 2022-CRP-02

Date of Notification: April 8, 2022

Notification Type: Product Change: Alternative Pin Design for Biosense Webster HyperGrip Connectors

Products Impacted: YPN004-047H

Dear Valued Customer,

This PCN will serve as notification of the immediate addition of an alternative pin YPN004-028H to be used in place of the existing YPN004-047H pin for Biosense Webster HyperGrip connectors. Smiths Interconnect will continue to deliver YPN004-047H pin until inventories are depleted and transition over to the YPN004-028H for all future shipments. All existing Purchase Orders will need to be updated to reflect the alternative part number.

There are no impacts to assembly procedures or tools due to this change.

Smiths Interconnect is implementing this change to reduce the occurrence of bent or damaged pins during transit and handling.

Best regards,

Daniel Ratzlaff
