Dear Valued Customer,

The tooling required to manufacture the subject parts has reached its end of life and is no longer capable of manufacturing product to the excellent level of quality expected from Smiths Interconnect. As a result, these connectors will be taken to obsolete status.

Smiths Interconnect will be offering a potential last time buy on a best faith effort so long as the lifetime demand is requested on an RFQ within 90 days of this notification.

Lifetime order quantities will be allowed to have deliveries scheduled up to 12 months after first delivery of product.

Questions or concerns may be directed to your local sales representative. We look forward to continuing to work closely with your team.

Regards,

Gregory Kay
