|--------------------------------------|--|-----------------|-----------------|-------------|-----------------|-------------|-----------------|
| <b>Description of the Change:</b>    | <p>Dear Valued Customer,</p> <p>This is a notification of a change to our item numbers and catalog configuration for our D04 series connector family. Please note the below changes are effective immediately.</p> <p>Smiths will be transitioning from item numbers with an "MDSXXX-XXXX" format to item numbers formatted to match our catalog. As a part of this change, we are also updating our catalog item number for the D04 receptacle by replacing the letter "X" termination style with the letter "D". This change does not impact form, fit, or function, we are only changing the letter used to identify the termination style.</p> <p>Below are the new item numbers that will replace the old "MDSXXX-XXXX" item numbers:</p> <table style="width: 100%; border-collapse: collapse;"> <thead> <tr> <th style="text-align: left;">Old item number</th> <th style="text-align: left;">New Item Number</th> </tr> </thead> <tbody> <tr> <td>MDS082-0001</td> <td>D04EEW082FDUTAH</td> </tr> <tr> <td>MDS082-0002</td> <td>D04PW082MRU7BTH</td> </tr> </tbody> </table> <p>Additionally, please reference <b>Appendix A</b> to find the full list of available configurations based on the newly updated catalog:</p> | Old item number | New Item Number | MDS082-0001 | D04EEW082FDUTAH | MDS082-0002 | D04PW082MRU7BTH |
| Old item number                      | New Item Number  |                 |                 |             |                 |             |                 |
