Dear Valued Customer

The mold tool required to manufacture the insulator for specified connector has reached its end of life and is no longer capable of manufacturing product to the excellent level of quality expected from Smiths Interconnect. As a result, effective immediately, this connector is no longer available with no possibility for a last time buy. The following PN can serve as an alternative:

MHD052-1B-12-125

Questions or concerns may be directed to the undersigned. We look forward to continuing to work closely with your team.
