

PRODUCT LIFECYCLE BULLETIN

D Series Circular DJ, DK, DL and DM quick-lock connector

15th November 2024

Dear Customers and Partners,

This bulletin provides an overview of the lifecycle for the D Series – Circular DJ, DK, DL and DM quick-lock connector.

The lifecycle for the part numbers outlined in the Schedule A, will change from **Active** to **Obsolete**, meaning these parts will no longer be available. We are therefore offering our Customers and Partners an opportunity for a last time buy (LTB), purchase order (PO) for which must be placed by **31st January 2025**. For all enquiries related to LTB, please email to connectors.emeatechsupport@smithsinterconnect.com.

Please note that while we will endeavour to support all our Customers and Partners for the LTB, this offer is subject to availability of parts and components and to that end Smiths Interconnect reserves the right to cancel or materially amend the offer.

If you have any questions or require any clarification, please do not hesitate to contact our local Sales representatives.
