

Product Change Notification

PCN No: 2022-PCB-06

Date of Notification: April 4, 2022

Notification Type: Product Obsolescence

Products Impacted: KQB series connectors

Part Numbers Affected: part numbers with KQB prefixes

Examples: KQB0172630121

KQB0172230121

KQB0171710110

KQB0171310110

KQB0232240199

KQB0232630197

Dear Valued Customer,

The mold tooling required to manufacture the insulators used in the KQB series connectors has reached the end of life and is no longer capable of manufacturing product to the excellent level of quality expected from Smiths Interconnect.

As a result of this and declining customer requirements, effective immediately the KQB series connectors are now obsolete and no longer available.

Best regards,
Tom Kannally
