

Product Change Notification

PCN No: 2021-PCB-10

Date of Notification: July 27, 2021

Notification Type: Product Obsolescence

Products Impacted: Select C173 Series PCB Connectors

Part Numbers Affected:

C173 12FRT/20251

C173 12MCT/20250

C173 29FRT/20253

Dear Valued Customer,

Due to declining customer requirements over the past few years and the status of the mold tooling required to manufacture the insulators used in these connectors, effective immediately, the part numbers listed above have been obsoleted.

We currently have the availability of a limited stock of the insulators required for these connectors, as indicated by the quantities noted below. Based on this availability, if there is interest in a last time buy for these connectors, on a "first come, first served" basis, please respond no later than September 15, 2021.

C173 12FRT/20251:	782 pcs
C173 12MCT/20250:	724 pcs
C173 29FRT/20253:	205 pcs

Best regards,

Tom Kannally
