HD-309

HD-310

HD-311

HD-313

HD-314

Dear Valued Customer

The mold tools required to manufacture the insulators for specified connectors have reached their end of life and are no longer capable of manufacturing product to the excellent level of quality expected from Smiths Interconnect. As a result, effective immediately, these connectors are no longer available with no possibility for a last time buy.

Questions or concerns may be directed to the undersigned. We look forward to continuing to work closely with your team.

Kevin DeFord
