07th May 2026

Dear Customers and Partners,

This bulletin supersedes the one issued on 26th November 2024 providing an overview of the lifecycle for the KDC Series connector.

The lifecycle for all the part numbers starting with 'KDC....' (for example KDC0321710, KDC0322230--D, KDC0961310, etc.) will change from **Active** to **Obsolete**, meaning all parts and the components within its bill of materials in the entire product series will no longer be available. We cannot offer an opportunity for any last time buy (LTB) for this product series.

If you have any questions or require any clarification, please do not hesitate to contact our local Sales representatives.
