

Product Change Notification

L series modular connector - change of part number and material for S module

16th January 2025

Dear Customers,

Please be advised that the part number and material for the S module will change, the details of the change are:

- **From:** Part number ZLS003-002, material Ultramid C3U, colour black
- **To:** Part number 047051-00ST, material Lexan 943 A 70350, colour gray

This change will not impact the form, fit and function of the product. As many customers order the S module as part of a configuration along with other types of modules and therefore order with a part number for the whole configuration, the part number change of the S module may not be relevant.

The change will be implemented with immediate effect.

Should you have any questions regarding this change, please do not hesitate to contact our local Smiths Interconnect's representative.

Best regards,

Joydip Sanyal
