Hypertac GmbH
Ulrichsberger StraBe 17,
Bayern, Deggendorf, DE

To whom it may concern:

This letter confirms that Hypertac GmbH has completed their Certification Audit with TÜV SÜD America to the IRIS:ISO/TS 22163 and ISO9001:2015 standards. Their audits were completed by lead auditor, Norbert Johnen on February 22nd, 2020. A follow-up audit with lead auditor, Norbert Johnen is planned for April 29th, 2020.

Once the Follow-up audit is completed and the audit package has been approved and submitted to the certification body by the lead auditor Norbert Johnen, the audit submission will then be under review. Due to reasons outside the control of Hypertac GmbH it is unknown when the certificate will be released.

Only upon the successful completion of the certification body review process, Hypertac GmbH may receive their new accredited 3-year certificate.

If there are any questions regarding the certification status of Hypertac GmbH certificate, please contact me.

Sincerely,

Michael Gürtler
